**How Do You Calculate My Pay Over Time Balance?** We use a method called “average daily balance (excluding new purchases).” See “How Do You Calculate The Interest Charge?” section below.

**What Are My Billing Rights?** Information on your rights to dispute transactions and how to exercise those rights is provided in “Your Billing Summary” on your Statement and other Truth-in-Lending Disclosures.

## THINGS YOU SHOULD KNOW ABOUT THIS CARD

**How Do You Calculate Variable Rates?** Your variable rates may change when the Prime Rate changes. We calculate variable rates by adding a percentage to the Prime Rate published in *The Wall Street Journal* on the 25th day of December, March, June and September. If the *Journal* is not published on that day, then see the immediately preceding edition. Variable rates on the following segment(s) will be updated quarterly and will take effect on the first day of your January, April, July and October billing periods: Pay Over Time Purchase APR: Prime between 12.49% and 21.49%. Any increase in the Prime Rate may increase your Interest Charges and your Minimum Payment.

**What Are The Daily Periodic Rates Used To Calculate My Interest?** The daily periodic rate for your Pay Over Time Purchase APR is between 0.05408% and 0.07874%. See “How Do You Calculate The Interest Charge?” section below.

**How Do You Calculate The Interest Charge?** We use a method called Average Daily Balance (excluding new purchases). Under this method, we first calculate your daily Pay Over Time balance; 1) take the beginning Pay Over Time balance and add the periodic interest charge on the previous day's Pay Over Time balance, then 2) subtract any payments and credits applied to the Pay Over Time balance as of that day. The result is the daily balance. However, new purchase amounts are not added to the daily balances.

Next, to find your Average Daily Balance: add the daily Pay Over Time balances together, and divide the sum by the number of days in the billing cycle. Also, transactions subject to a grace period are not added to the daily balance. Next, to find your Average Daily Balance: 1) add the daily Pay Over Time balances together, and 2) divide the sum by the number of days in the billing cycle.

At the end of each billing cycle, we determine your Interest Charge as follows: 1) multiply your Average Daily Balance by the Pay Over Time Purchase daily periodic rate (Pay Over Time Purchase APR divided by 365) and 2) multiply the result by the number of days in the billing period.

NOTE: Due to rounding, this calculation may vary from the interest charge actually assessed.

# Capital One Customer Agreement

## Welcome to Capital One

Thank you for opening a credit card account with us. This Customer Agreement including any changes to it ("Agreement") contains the terms of your agreement with Capital One.

## Definitions

The meanings of the terms you see in italics appear in the **Glossary** section at the end of this Agreement.

As used here, "you" and "your" mean each applicant and co-applicant for the *Account*; any person responsible for paying the *Account*; and any person responsible for complying with this Agreement. "We," "us," "our," and "Capital One" mean Capital One, National Association; and its agents, authorized representatives, successors, and assignees.

## Account Documents

The following documents govern your *Account* with us:

- (1) this Agreement;
- (2) all *Statements*;
- (3) any rewards program terms, conditions, and disclosures;
- (4) any privacy notices;
- (5) your *Card* benefits brochure which describes benefits provided by the *Payment Card Network* for your *Account*;
- (6) all disclosures and materials provided to you before or when you opened your *Account*;
- (7) any other documents and disclosures relating to your *Account*, including those provided online; and
- (8) any future changes we make to any of the above.

Please read these carefully and keep them for future reference.

## New Offers

In the future, we may provide you with new offers that we think may interest you. The terms of these offers may differ from the standard terms on your *Account*. This Agreement will still apply.

## Account Information

We need information about you to manage your *Account*. This includes:

- (1) your legal name;
- (2) a valid U.S. mailing address and residential address (if different);
- (3) your date of birth;
- (4) your Social Security number or other government identification number;
- (5) your telephone number(s); and
- (6) your employment and income information.

You must tell us when this information changes. We may ask you for additional documents to verify any changes.

We may restrict or close your *Account* if we cannot verify your information, or if you do not provide it as requested.

## Spending Limits

There is no preset spending limit on your *Account*, but we may decline to authorize a transaction for any reason or at any time. We generally decide whether to approve a charge based on several factors, including but not limited to how you spend and pay on your *Account* over time, assessment of your creditworthiness, and suspected fraud. This may occur even if the transaction would not cause you to go over your *Pay Over Time Limit* or your *Account* is not in default. We may require verification that the transaction is authorized prior to approval. We will tell you your initial *Pay Over Time Limit* after you open your *Account*. The *Pay Over Time Limit* applies to purchase amounts or portions of purchase amounts that are allocated to your *Pay Over Time* balance. We may, in our exclusive discretion, increase or decrease your *Pay Over Time Limit* at any time without prior notice to you, unless notice is required by law, and we may limit or take away the credit available for *Cash Advances*. You can find your current *Pay Over Time Limit* on your *Statement*. Any balance that is allocated to your *Pay in Full* balance must be paid in full.

## Using Your Account

- (1) This Agreement applies whether or not you use your *Card* or *Account*. It will continue to apply even after your *Account* is closed, as long as you have a balance.
- (2) You must return the *Card* to us or destroy it if we ask you to.
- (3) You must take reasonable steps to prevent the unauthorized use of your *Card*, *Access Checks* and *Account*.
- (4) We may decline to authorize a transaction for any reason. This may occur even if the transaction would not cause you to go over your *Pay Over Time Limit* or your *Account* is not in default.
- (5) We are not responsible for any losses you incur if we do not authorize a transaction.
- (6) We are not responsible for any losses you incur if anyone refuses to accept your *Card* for any reason.
- (7) Unless we tell you otherwise, purchase amounts or portions of purchase amounts will be automatically added to your *Pay Over Time* balance. *At the end of each Billing Cycle, we will allocate the portion of your purchase balance below the Pay Over Time Limit to your Pay Over Time balance. Fees (other than Cash Advance fees) and Interest Charges will also be allocated to your Pay Over Time balance, and may reduce the amount of your purchase balance that is allocated to your Pay Over Time balance.* Any portion of your purchase

balance in excess of your *Pay Over Time Limit* will be allocated to your *Pay in Full balance* at the end of each *Billing Cycle* and must be paid in full by the due date shown on our *Statement* each month.

- (8) You may obtain *Cash Advances* as permitted for your *Account*. While *Cash Advances* and *Cash Advance fees* are not eligible for *Pay Over Time*, these may reduce your available *Pay Over Time Limit*. You may not use these to pay any amount you owe us or any other company in the Capital One organization.
- (9) You must not use, or try to use, the *Card* for any illegal activity. You are responsible for any charges if you do.
- (10) We are not liable for any losses that may result when our services are unavailable due to reasons beyond our control.

## Rewards

Your *Account* may provide you with the opportunity to earn rewards. If it does, we will separately provide you with information and terms about the rewards.

## Access Checks

We may provide you with *Access Checks*. If we do, we will tell you at the time if we consider them purchases or *Cash Advances*.

Only the person we designate may use *Access Checks*. You may not use them to pay any amount you owe us or any other company in the Capital One organization. We may reject and not pay any *Access Check* if:

- (1) your *Account* is past due, charged off, bankrupt, lost/stolen or closed;
- (2) we suspect fraud;
- (3) processing the *Access Check* would cause you to exceed the *Pay in Full Limit*; or
- (4) the check has expired, is damaged or cannot otherwise be processed.

Our liability if we do not pay an *Access Check* will never be more than (1) your actual damages or (2) the amount of the *Access Check*, whichever is less. Use of an *Access Check* is not the same as using your *Card*. When you use an *Access Check*, you will have fewer rights to dispute merchant transactions than with uses of your *Card*. Please see the "Billing Rights Summary" on your *Statement* and your other *Truth-in-Lending Disclosures* for more information.

## Stopping Payment of Access Checks

You may request a stop payment on any *Access Check* by contacting Customer Service.

We will have a reasonable amount of time after your stop payment request to research and complete the stop payment. We will not be responsible if we cannot complete the stop payment. Reasons include:

- (1) the *Access Check* was already paid;
- (2) you do not give us the information we asked for; or

(3) the information you gave us was incorrect.

We do not have to release the stop payment order unless the account holder who made the request asks us to. If we re-credit your *Account* after a valid stop payment order, you give us all of your rights against the payee or other holder of the paid *Access Check*. You also agree to help us in any legal action we may later take against the payee or other holder of the check.

## Using a PIN

We may give you a personal identification number (PIN). For security reasons, you may have to provide the PIN before you are able to use your *Card*.

Keep your PIN secure. Do not write it down, give it to anyone, or keep it with your *Card*. If you lose your *Card* or believe the confidentiality of your PIN has been compromised for any reason, you must contact Customer Service immediately.

## Authorized Users

If you ask us to issue a *Card* to any other person, they are an *Authorized User*. We may require certain information about them. We may limit their ability to use your *Card*. They may have access to certain information about your *Account*. You will be responsible for their use of the *Account* and anyone else they allow to use your *Account*, even if you did not want, or agree to, that use.

## Removing an Authorized User

If you want to remove an *Authorized User* from your *Account*, you must contact Customer Service and request their removal. You also must immediately destroy all *Cards* in their possession and cancel any arrangements they may have set up on your *Account*. They will be able to use your *Account* until you have notified us that you are removing them from your *Account*. During this time, you will still be responsible for all amounts they charge to your *Account*. You will be responsible even if these amounts do not appear on your *Account* until later.

*Authorized Users* may remove themselves from your *Account* upon request. We reserve the right to remove them from your *Account* for any reason. To remove them from your *Account*, we may close your existing *Account* and issue a new *Card* with a new *Account* number.

## Your Promise to Pay

You promise to pay us all amounts due on your *Account*. This includes amounts where you did not sign a purchase slip or other documents for the transaction. We will treat transactions made without presenting your actual *Card* (such as for mail, telephone, Internet, or mobile device purchases) the same as if you used the *Card* in person. If you let someone else use your *Card*, you are responsible for all transactions that person makes.

## **Statements**

We will generally send or make available to you one *Statement* for all *Cards* on your *Account* at the end of each *Billing Cycle*. Under certain circumstances, the law may not require us to send or make available to you a *Statement*, or may prohibit us from doing so.

## **Disputed Transactions**

You must inspect each *Statement* you receive. Tell us about any errors or questions you have, as described in the “Billing Rights Summary” on your *Statement* and other *Truth-in-Lending Disclosures*. If you do not notify us of an error, we will assume that all information on the *Statement* is correct.

If we credit your *Account* for all or part of a disputed transaction, you give us all of your rights against others regarding that transaction. You will also:

- (1) give us any information about the disputed transaction, if we ask;
- (2) not pursue any claim or reimbursement of the transaction amount from the merchant or any other person; and
- (3) help us get reimbursement from others.

## **No Warranties**

We are not responsible for any claim you may have regarding the purchase of goods or services made with your *Card* beyond your rights described in the “Billing Rights Summary” on your *Statement*.

## **Lost or Stolen Card**

If your *Card* is lost or stolen or if you think someone else may be using your *Card* or *Account* number without your permission, you must contact Customer Service immediately. You will not be responsible for transactions on your *Account* that we find are unauthorized.

If we reimburse you for unauthorized transactions, you will help us investigate, pursue and get reimbursement from the wrongdoer. Your help includes giving us documents in a form that we request.

## **Interest Charges and Fees**

We will charge *Interest Charges* and *Fees* to your *Account* as disclosed on your *Statement* and other *Truth-in-Lending Disclosures*. In general, *Interest Charges* begin to accrue from the first day of the *Billing Cycle*. However, we will not charge you interest on purchases if you paid the total balance on your *Account* in full by the due date on your *Statement* each month. From time to time, we may give you offers that allow you to pay less than the total balance and avoid *Interest Charges* on new purchase amounts that are allocated to your *Pay Over Time* balance. If we do, we will provide details in the specific offer.

We will generally allocate *Interest Charges* and *Fees* (other than *Cash Advance Fees*) to your *Pay Over Time* balance unless otherwise specified below, but all

*Interest Charges* and late payment *Fees* must be paid in full each *Billing Cycle*. Unpaid *Interest Charges* and *Fees* may begin to accrue *Interest Charges* from the first day of the *Billing Cycle*. These *Fees* apply to your *Account* only if your *Truth-in-Lending Disclosures* provide for them. We may increase your *Interest Charges* and *Fees* as described in the **Changes to Your Agreement** section or in your *Truth-in-Lending Disclosures*.

## **Membership Fee**

If your *Account* has a membership *Fee*, we may charge the first membership *Fee* either on the day you activate your *Card* or on the day when you use your *Account*, whichever occurs first. If your *Account* terms include a \$0 introductory *Fee*, we may charge the first *Fee* when the introductory period ends. If it is an annual *Fee*, we may then charge it approximately once per year. If it is a monthly *Fee*, we may charge it each *Billing Cycle*.

## **Late Payment Fee**

We may charge you this *Fee* if we do not receive your payment as instructed on your *Statement* by the payment due date.

## **Stop Payment Fee**

We may charge you this *Fee* each time you ask us to (1) stop payment on an *Access Check* or (2) renew an existing stop payment order.

## **Cash Advance Fee**

We may charge you this *Fee* each time you take out a *Cash Advance*. We will treat this *Fee* as a *Cash Advance* transaction.

## **Transactions Made in Foreign Currencies**

If you make a transaction in a foreign currency, the *Payment Card Network* will convert it into a U.S. dollar amount. The *Payment Card Network* will use its own currency conversion procedures. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date that appears on your *Statement*. We do not adjust the currency exchange rate or charge any currency conversion *Fees*.

## **Minimum Payment**

You must pay us at least the minimum payment amount by the payment due date. Your *Statement* will tell you:

- (1) the minimum payment due,
- (2) your new balance,
- (3) the payment due date, and
- (4) an explanation of when the payment must reach us for us to consider it received as of that date.

Returns and other credits to your *Account* will reduce your *Account* balance, but they will not change your minimum payment amount.

In addition to the minimum payment, you may pay all or part of the remaining balance on your *Account*.

But, you must still pay at least the minimum payment amount each month, even if you paid more than the minimum payment due on the previous *Statement*. We will continue to charge *Interest Charges* on your *Pay Over Time* balance during *Billing Cycles* when you carry a balance regardless of whether your *Statement* includes a minimum payment that is due. If your *Account* is 180 days past due, is part of a bankruptcy proceeding or is otherwise charged off, the total balance is immediately due and payable.

## **Making Payments**

Your payment must be made in U.S. dollars from a U.S. deposit account in a form acceptable to us. We do not accept cash payments through the mail. You may not make payments with funds from your *Account* or any other credit account with us or any other company in the Capital One organization. You must send mailed payments to us as instructed on your *Statement*, unless we tell you otherwise.

## **Other Payment Services**

We may make services available that allow you to make faster or recurring payments online or by telephone. We will describe the terms for using these services and any applicable *Fee* before you use them. You do not have to use these other payment services.

We are not responsible if your financial institution rejects a payment made using our payment services.

If you ask someone else to make a payment for you, we may provide that person with limited *Account* information necessary to set up and process that payment. We may also refuse to accept that payment. If we do accept it, you will be responsible for that payment even if a financial institution rejects it.

## **Payment Processing**

We may accept and process payments without losing any of our rights. We may delay the availability of credit until we confirm that your payment has cleared. This may happen even if we credit your payment to your *Account*. We may resubmit and collect returned payments electronically. If necessary, we may adjust your *Account* to correct errors, process returned and reversed payments, and handle similar issues.

When you send us an *Item* as payment, you authorize us to make a one-time electronic fund transfer from your deposit account. You also authorize us to process the payment as an *Item*. We may withdraw the funds from your deposit account as early as the same day we receive your payment. You will not receive your *Item* back from your bank. We will provide additional information about this process on your *Statement*.

We may use the information from an *Item* to create an electronic image. We may collect and return the image electronically. This electronic image may also be converted to a substitute check and may be

processed in the same way we would process an *Item*. We will not be responsible if an *Item* you provide has physical features that when imaged result in it not being processed as you intended.

## **How We Apply Your Payments**

Your *Account* may have balances with different Annual Percentage Rates (APR). If your *Account* has balances with different APRs, here is how we apply payments in a *Billing Cycle*:

- (1) We generally apply payments up to your minimum payment first to the *Pay in Full* balance shown on your *Statement* then to your *Pay Over Time* balance with the lowest APR and then to your *Pay Over Time* balances with higher APRs.
- (2) We apply any part of your payment exceeding your minimum payment to the balance with the highest APR, and then to balances with lower APRs.

We apply payments to billed balances before applying them to new transactions posted after the *Statement* closing date.

## **Items with Restrictive Words, Conditions, or Instructions**

You must mail all *Items* bearing restrictive words, conditions, limitations, or special instructions to:

Capital One  
PO Box 1330  
Charlotte, NC 28201-1330

This includes *Items* marked "Paid in Full" or similar language. This also includes all accompanying communications.

If you make such a payment or send any accompanying communications to any other address, we may reject it and return it to you. We may also accept it and process it without losing any of our rights.

## **Credit Balances**

We may reject and return any payment that creates or adds to a credit balance on your *Account*. Any credit balance we allow will not be available until we confirm that your payment has cleared. We may reduce the amount of any credit balance by any new charges. You may write to the address provided on your *Statement* or call Customer Service to request a refund of any available credit balance.

## **Account Default**

You will be in default if:

- (1) you do not make any payment when it is due;
- (2) any payment you make is rejected, not paid or cannot be processed;
- (3) you file or become the subject of a bankruptcy or insolvency proceeding;
- (4) you are unable or unwilling to repay your obligations, including upon death or legally declared incapacity;

- (5) we determine that you made a false, incomplete or misleading statement to us, or you otherwise tried to defraud us;
- (6) you do not comply with any term of this Agreement or any other agreement with us; or
- (7) you permanently reside outside the United States.

If you are in default, we may take certain actions with respect to your *Account*. For example, depending on the default, we may take the following actions, without notifying you, unless the law says that we must give you notice:

- (1) charge you *Fees*, or change the APRs and *Fees* on your *Account*, if provided in your *Truth-in-Lending Disclosures*;
- (2) close or suspend your *Account*;
- (3) lower your *Pay Over Time Limit* or otherwise limit your charging privileges;
- (4) demand that you immediately pay the total balance owing on your *Account*;
- (5) continue to charge you *Interest Charges* and *Fees* as long as your balance remains outstanding; and/or
- (6) file a lawsuit against you, or pursue another action that is not prohibited by law. If we file a lawsuit, you agree to pay our court costs, expenses and attorney fees, unless the law does not allow us to collect these amounts.

## Communications

You agree that we may communicate with you by mail, telephone, email, fax, prerecorded message, automated voice, text message or other means allowed by law regarding your *Account*.

You agree that we may contact you at any telephone number (including a mobile telephone number that you provide us), and use an automated telephone dialing system or similar device to do so. You agree that we may monitor or record any conversation or other communication with you.

## Credit Reports

We may report information about your *Account* to credit bureaus and others. Late payments, missed payments, or other defaults on your *Account* may be reflected in your credit report. Information we provide may appear on your and the *Authorized Users*' credit reports. If you believe that we have reported inaccurate information about your *Account* to a credit bureau or other consumer reporting agency, notify us in writing at PO Box 30281, Salt Lake City, UT 84130-0281. When you write, tell us the specific information that you believe is incorrect and why you believe it is incorrect.

We may obtain and use credit, income and other information about you from credit bureaus and others as the law allows.

## Closing or Suspending Your Account

You may contact Customer Service to ask us to close your *Account*.

We may close or suspend your *Account* at any time and for any reason permitted by law, even if you are not in default.

If we close or suspend your *Account* for any reason, you must stop using your *Card*. You must also cancel all billing arrangements set up on the *Account*. If we close or permanently suspend your *Account*, you must return or destroy all *Cards*. You must still pay us all amounts you owe on the *Account*.

## Changes to Your Agreement

At any time, we may add, delete or change any term of this Agreement, unless the law prohibits us from doing so. We will give you notice of any changes as required by law. We may notify you of changes on your *Statement* or in a separate notice. Our notice will tell you when and how the changes will take effect. The notice will describe any rights you have in connection with the changes.

Your variable APRs (if applicable) can go up or down as the index for the rate goes up or down. If we increase your APRs for any other reason, or if we change your *Fees* or other terms of your *Account*, we will notify you as required by law.

## The Law That Applies to Your Agreement

We make decisions to grant credit and issue you a *Card* from our offices in Virginia. This Agreement is governed by applicable federal law and by Virginia law. If any part of this Agreement is unenforceable, the remaining parts will remain in effect.

## Waiver

We will not lose any of our rights if we delay or choose not to take any action for any reason. We may waive our right without notifying you. For example, we may waive your *Interest Charges* or *Fees* without notifying you and without losing our right to charge them in the future.

## Assignment

This Agreement will be binding on, and benefit, any of your and our successors and assigns. You may not sell, assign or transfer your *Account* or this Agreement to someone else without our written permission.

We may sell, assign or transfer your *Account* and this Agreement without your permission and without prior notice to you. Any assignee or assignees will take our place under this Agreement. You must pay them and perform all of your obligations to them and not us. If you pay us after we notify you that we have transferred your *Account* or this Agreement, we can return the payment to you, forward the payment to the assignee, or handle it in another way that is reasonable.
